PROFESSIONAL EXPERIENCE

Project Coordinator | Harborline Digital Services (fictional) | May 2024 – Present

- Coordinated weekly delivery plans across a six-person implementation team; maintained task owners, due dates, and dependencies in Jira for two client onboarding projects.
- Facilitated sprint planning, daily stand-ups, and retrospective meetings, then circulated decisions and action items to engineering, support, and client stakeholders.
- Created milestone trackers and weekly status reports for internal project leads, improving visibility of delayed handoffs and outstanding client approvals.
- Worked with stakeholders to clarify requirements, document change requests, and resolve scheduling conflicts before release checkpoints.

Operations Associate | Harborline Digital Services (fictional) | July 2022 – April 2024

- Maintained onboarding checklists, standard operating procedures, and shared trackers used by operations and customer support teams.
- Organized monthly service-review meetings, summarized recurring issues, and followed up on corrective actions with relevant process owners.
- Supported a workflow standardization initiative that replaced fragmented spreadsheets with a single reporting template and a documented escalation process.

SELECTED PROJECTS

Client Onboarding Workflow Improvement | Internal Team Initiative

- Mapped the existing onboarding process, interviewed support staff, and prepared a phased implementation schedule with review milestones.
- Coordinated testing with operations and support teams and prepared a release checklist to confirm that agreed workflow changes were documented.

Quarterly Delivery Status Dashboard | Reporting Initiative

- Built an Excel-based progress tracker consolidating task completion, open issues, assigned owners, and planned delivery dates for management review.
